

Great News For PAPA Association

Finally: Employee Benefits You Can Afford!

- Do you have an **affordable benefits package** for yourself and your employees?
- **Did you know that by not having some sort of low cost medical insurance for employees, it increases the risk of higher work comp claims for employers?**
- Would an affordable, quality benefits package help you **recruit and retain good employees?**

GREAT NEWS: the PAPA Association has teamed up with Van Beurden and MyFranchise Association to bring you solutions!

MyFranchiseAssociation

- Available to ALL locations – not just franchises: minimum *one* (1) employee.
- Works with you to attract and retain quality employees.
- Works with you to communicate your benefits package to your employees
- Considered employer paid medical for your employees? Thought it would be too costly? Not with our Basic Plan. Cost is only \$0.20 a hour per employee.*

*this statement based off a 40 hr week.

Membership Includes

- Section 125 plan documents
 - Get pre-tax benefits savings for yourself and your employees!
- A secure customized company website to effectively communicate and administer employee benefits.
