

## **Immediate position available: Division Manager Grass Valley, CA**

We are a local Nevada County pest control company that specializes in weed control services for residential, industrial and governmental clients with over 35 years' experience.

We are seeking a Division Manager to run the Grass Valley branch. We service the Nevada, Yuba, Sutter and Placer counties. The candidate must have weed control experience and hold a current QAL license from CA DPR. A PCA license helpful but not mandatory.

Candidate will oversee sales, safety documentation, pest control applications, monthly use reporting, equipment calibration and maintenance. A good driving record a must. Employee must have good communication and sales skills, be a team player, be highly motivated to grow and succeed and will be provided all the tools to achieve success.

Compensation. We offer 401K, vacation pay, company truck, bonus and commission profit sharing plans and the freedom to be your own boss. You report directly to the president.
