Job Title: Class “A” driver

Job Description:

Tri-Tech is now hiring! We are looking to hire a Class “A” driver with a hazardous materials endorsement.

Driver performs spray applications, transports hazardous and nonhazardous materials and equipment to the job site by driving a diesel nurse truck, towing a trailer with a tractor on public roadways and driving a tractor in the field in order to apply crop protection products.

Please contact Pamela Medina for more information (805)388-9855
