New Regulations are Coming!

California Department of Pesticide Regulation sent this bulletin at 07/03/2023 04:00 PM PDT

[View as a webpage](#) / [Share](#)

A blue rectangular graphic with a red ribbon banner at the top that reads 'New Regulations are Coming!'. Below the banner, white text on a dark blue background says: 'Be on the lookout for email updates regarding the Certification and Training regulatory changes that will be effective on January 1, 2024.' At the bottom left is a QR code, and to its right is the text: 'Scan the QR code to learn about DPR's Certification and Training of Pesticide Applicators Regulations Update, and for information on how these changes may affect you.' The background features faint white fireworks or starburst patterns.

Who We Are

The California Department of Pesticide Regulation protects human health and the environment by fostering safer and sustainable pest management practices and operating a robust regulatory system to monitor and manage the sale and use of pesticides across the state. DPR's work includes registering all pesticides sold or used in California, conducting scientific evaluation of pesticides to assess and mitigate potential harm to human health or the environment, investing in innovative research to encourage the development and adoption of integrated pest management tools and practices, monitoring for pesticides in the air and water, conducting outreach to ensure pesticide workers, farmworkers and local communities have access to safety information, and enforcing pesticide regulations in coordination with 55 County Agricultural Commissioners and their 400 field inspectors.
