

RESTORATION FOREMAN

HELIX Environmental Construction Group, an environmental construction and habitat restoration company, is seeking to fill a full time Restoration Foreman position.

The responsibilities of the Foreman position are listed below:

- Responsible for the day-to-day planning and supervision of a project site
- Establish and supervise native habitat construction and maintenance crews
- Establish and maintain effective working relationships with those contacted during work, including the general public
- Create and maintain positive new client interactions
- Evaluate new projects for proposal efforts
- Attend occasional meetings with HELIX and/or client staff and work in a team-based environment to achieve common goals
- Effectively handle multiple priorities and meet strict deadlines
- Removal of unwanted plant material, grading and leveling soil, digging and compaction of irrigation trenches, installation of temporary fences, installation of storm water BMP's, collection and installation of seed
- Coordinate the installation of irrigation systems
- Maintain and submit accurate logs and reports
- Plan reading and take off
- Quality control has been and will continue to be a major focus of our firm. You will be responsible for ensuring that all work products from your department undergo a quality assurance review prior to submittal and meet HELIX's quality standards. You will be responsible for the quality of the work products that you personally manage and prepare, including work generated by others.
- You will also complete other tasks deemed appropriate by HELIX which are necessary for the successful operation of the firm.

Requirements:

Education

- High school diploma or equivalent preferred

Experience

- 5 years of landscape experience
- 3 years of irrigation experience (installation and maintenance)
- Experience managing multiple 4-5 person crews and projects simultaneously
- Knowledge of native plants and weed species
- Experience operating equipment such as skip loader, skid steer, mini excavator, etc.

Licenses or Certificates

- Valid California Driver's License
- QAL or QAC (or ability to obtain within one year of employment)

Memorandum (cont.)
