## **ABOUT THE TEST PREP**

Our QAC/QAL Test Preparation courses are designed to help you increase your knowledge and prepare for the Qualified Applicators Certificate/License (QAC/QAL) exam.

For the best chance at success, we recommend allowing sufficient time (at least two weeks) between taking the test prep course and taking DPR's exam in order to study all of the materials adequately. The chances of passing depend greatly on the time and effort dedicated to learning the materials we provide, thus PAPA cannot guarantee that a Test Prep attendee will pass the DPR exam.

## **WHAT WE PROVIDE**

- ☛ Morning coffee and lunch are included in your registration fee
- ☛ 7 hours of education from PAPA's Test Prep instructor

  - ☛ California Department of Pesticide Regulation laws and regulations study guide
