Membership Details

PAPA is only able to track hours for, and mail official reports to, members whose *highest ranking* license is a QAC or QAL. Members holding other license types (PCA, Pilot, Private Applicator, etc.) can still receive seminar/webinar discounts and newsletters.

PAPA memberships are annual, and cover hours tracking from Jan. 1 through Dec. 31 of the respective year. Membership must be paid for before, or at the same time as, a seminar/webinar to receive the member discount. Discounted prices are then applied to the rest of the PAPA seminars/webinars attended in that calendar year. Discounts cannot be applied retroactively, so **purchasing membership as early as possible saves you the most money!**
