Membership Details

Memberships must be purchased on an individual basis — we do not offer company memberships.

PAPA can only track hours for, and mail official reports to, members whose *highest-ranking* license is a QAC or QAL. We are unable to track hours for, or provide reports to, PCAs, Pilots, or Private Applicators (even if they also hold a QAC/QAL). All members, regardless of license type, receive the e-newsletter and are eligible for CE course discounts.

PAPA memberships are annual, and cover hours tracking from 1/1 through 12/31 of the respective year, regardless of the date of purchase. Membership must be paid for before, or at the same time as, a CE course to receive the member discount on the CE course. Discounts are then applied to the rest of the CE courses attended in that calendar year. Discounts cannot be applied retroactively, so **purchasing membership as early as possible saves you the most money!**
