

30th Vertebrate Pest Conference will be held 7-10 March, 2022 at the Grand Sierra Resort and Casino in Reno, NV. Abstracts are still being considered; students are especially encouraged to submit and may apply for a \$500 travel grant. Special sessions on managing hoofed mammals, rodenticide exposure and wildlife, and wildlife diseases/zoonoses are planned. Registration is now open: <https://ucanr.edu/sites/VPC/> and "early bird" rates apply through 11 February. Contact Niamh Quinn (nmquinn@ucanr.edu) for details.
