Remember to Submit Your Continuing Education (CE) Hours With Your Renewal!

February 15th, 2024

Remember to Submit Your Continuing Education (CE) Hours With Your Renewal!

License and certificate holders are required to report their CE hours at the time of their renewal by submitting the CE Record Renewal Summary.

DPR **does not** track CE hours for renewals.

CE must be completed during your valid license period.

There is **NO** grace period for obtaining CE hours. Plan ahead and get your CE done early!

Remember to Submit Your Continuing Education (CE) Hours With Your Renewal!

Questions?

Please contact the Department of Pesticide Regulation's Licensing and Certification Program by emailing License Mail. For additional information about the Licensing and Certification Program please visit DPR's website.

Who We Are

The California Department of Pesticide Regulation protects human health and the environment by fostering safer and sustainable pest management practices and operating a robust regulatory system to monitor and manage the sale and use of pesticides across the state. DPR's work includes registering all pesticides sold or used in California, conducting scientific evaluation of pesticides to assess and mitigate potential harm to human health or the environment, investing in innovative research to encourage the development and adoption of integrated pest management tools and practices, monitoring for pesticides in the air and water, conducting outreach to ensure pesticide workers, farmworkers and local communities have access to safety information, and enforcing pesticide regulations in coordination with 55 County Agricultural Commissioners and their 500 field inspectors.
